Ultimate Drilling Package

Maximum power, Maximum Flexibility, Massive Savings

Unlock unmatched drilling performance with the Ultimate Drilling Package

Built for fabricators, steel erectors and serious professionals, this bundle delivers 55mm deep broaching, fast holemaking and modular jobsite flexibility while saving you over £2000.

- Two high-performance magnet drills -

The S36 offers compact, deep-cut access work

The S50 gives powerful, 2-speed control up to 55mm cutting diameter

- VersaDrive-ready setup-

Mag drills supplied with Rapid-Lock Versadrive adapters for seamless use of all Versadrive modular tooling

- Deep broaching and hole making capability-

110mm cutting depth on the S36

160mm stroke on the S50 for long cutters, reamers and countersinks

- Premium TurboTip drill set -

Stepped-tip impact bits for twice-the-speed drilling with no pilot holes and reduced operator fatigue

- Precision countersinking -

Fully-ground, impact-rated countersinks with GoldMax TiN coating for clean, accurate deburring

- High-performance holecutters -

TCT cutters with 10x longer life, 55mm depth of cut and massive 70mm reach for heavy steel drilling

- CarbideMax 55 broach cutters -

Sandvik carbide teeth for up to 10x longer life, faster cuts and quieter, chatter-free drilling

- Over £2000 saved -

A complete drilling solution combining power, speed and durability at an unbeatable price

Set Contents:

Turbotip drillbits: 6, 8, 10, 12mm
Countersinks: 12.4, 16.5, 20.5, 25, 31mm (90° angle)
Holecutters: 14, 18, 22mm
Broach cutters: 14, 18, 22mm + pilot pins

Supplied with Versadrive Rapid-Lock
Magnet Drill Adapter &
protective site cases

S36 Compact Magnet Drill + Carbidemax 55 Broach Cutter Set

- Deep cuts, faster job turnaround & robust, site-ready durability
- Lightweight, compact & portable at just 10kg
- Built to outperform other compact drills
- 110mm cutting depth for deep broaching & countersinking
- High power Eibenstock motor
- Drill up to 36mm diameter in structural steel

+ Broach Cutter set worth over £160!

Set Contents: 14, 18, 22mm + Pilot Pins

Supplied in a
protective site case
